

Our Common Acrostic Poetry

Hello, dear chidrens

Aware of this exciting day

Please, take care about yourself and your family

Perhaps we will make a lot of kites

Yes soon we will be healthy and free days are upcoming

Catch the time with your smile.

Happy celebrations and happy children.

I love all of celebrations.

Let's sing songs in this happy childrens day.

Dear friends Today is very valuable for us.

Run for happier childrens' day.

Exciting Day today !

Next year and next year.

Some children come to my country

Day by day , our happiness will be bigger

Awesome celebration today

Yellow , red , purple all colours of ours.
